

LearningConnect®

Facilitator Training

100 Level

LearningConnect® is a proven facilitated approach to organizational knowledge generation that ensures shared understanding and alignment, takes teams to higher levels of performance, and accelerates decision-making.

LCF100 – Fundamentals of LearningConnect®

Our foundational training provides an introduction and overview of the LearningConnect qualitative research process. This highly interactive session grounds you in the elements of facilitative leadership and in the practical applications of the process preparing you to successfully facilitate your team.

LCF100 Outcomes:

- A working understanding of the 7 Stages of the LearningConnect® Process.
- An applied understanding of the basic facilitation practices and graphic recording techniques to effectively support team learning throughout the LearningConnect® Process.
- An understanding of the basic and expanded uses of the LearningConnect® Graphic Templates through:
 - Hands on practice with the Graphic Templates as a Facilitator and Participant through the different Stages of the Process.
 - Designing activities, making preparations and facilitating using Graphic Templates in a Qualitative Research setting.
 - Experience with several different basic Qualitative Analysis & Synthesis Approaches for data collected on Graphic Templates.
- Practice using storytelling and visuals in the LearningConnect® Process including basic Analysis & Synthesis approaches.
- The ability to design a basic LearningConnect® multi-day session applied to your real project.
- Support and coaching from the Creators of the LearningConnect® Process and a small group of committed learners.

You will also receive a LearningConnect Design Kit, stocked table bag, and templates to get you started right away.
